DEFINITIONS

1 **A1 DEFINITIONS AND INTERPRETATION**

Clause 1.0 Clause

1.1 Definition of "**Commencement Date**" is added:

"COMMENCEMENT DATE" means the date that the **agreement**, made in terms of the Form of Offer and Acceptance, comes into effect

Clause 1.1 Definition of "**Construction Guarantee**" is amended by replacing it with the following:

"CONSTRUCTION GUARANTEE" means a guarantee at call obtained by the **contractor** from an institution approved by the **employer** in terms of the **employer's** construction guarantee form as selected in the **schedule**

Clause 1.1 Definition of "**Construction Period**" is amended by replacing it with the following:

"CONSTRUCTION PERIOD" means the period commencing on the commencement date and ending on the date of practical completion

Clause 1.1 Definition of "**Corrupt Practice**" is added:

"CORRUPT PRACTICE" means the offering, giving, receiving or soliciting of anything of value to influence the action of a public official in the procurement process or in contract execution.

Clause 1.1 Definition of "**Fraudulent Practice**" is added:

"FRAUDULENT PRACTICE" means a misrepresentation of facts in order to influence a procurement process in the execution of a contract to the detriment of any tenderer and includes collusive practice among tenderes (prior to or after the tender submission) designed to establish tender prices at artificial non-competitive levels and to deprive the tenderer of the benefits of free and open competition.

Clause 1.1 Definition of "**Interest**" is amended by replacing it with the following:

Carried to Collection

R

Section 1
Preliminaries
Bill No. 1
Preliminaries
Bergville Skills Centre

"INTEREST" means the interest rates applicable on this contract, whether specifically indicated in the relevant clauses or not, will be the rate determined by the Minister of Finance, from time to time, in terms of section 80(1)(b) of the Public Finance Management Act, 1999 (Act No. 1 of 1999).

Clause 1.1 Definition of **"Principal Agent"** is amended by replacing it with the following:

"PRINCIPAL AGENT" means the person or entity appointed by the **employer** and named in the **schedule**. In the event of a **principal agent** not being appointed, then all the duties and obligations of a **principal agent** as detailed in the **agreement** shall be fulfilled by a representative of the **employer** as named in the **schedule**.

Clause 1.1 Definition of **"Security"** is amended by replacing it with the following:

"SECURITY" means the form of security provided by the **employer** or **contractor**, as stated in the **schedule**, from which the **contractor** or **employer** may recover expense or loss

Clause 1.6 is amended by replacing the words "prepaid registered post, telefax or e-mail" with "prepaid registered post or telefax"

Clause 1.6.4 is amended by replacing it with the following:

No clause

The contractor shall take such precautions and security measures and other steps for the protection and security of the works as the contractor may deem necessary</p> <p style="text-align: center;">Carried to Collection</p> <p>Section 1 Preliminaries Bill No. 1 Preliminaries Bergville Skills Centre</p>		R	

- (b) The **contractor** shall at all times proceed immediately to remove or dispose of any debris arising from damage to or destruction of the **works** and to rebuild, restore, replace and/or repair the **works**
- (c) The **employer** shall carry the risk of damage to or destruction of the **works** and material paid for by the **employer** that is the result of the excepted risks as set out in 10.6
- (d) Where the **employer** bears the risk in terms of this contract, the **contractor** shall, if requested to do so, reinstate any damage or destroyed portions of the **works** and the costs of such reinstatement shall be measured and valued in terms of 32.0 hereof

10.6 Injury to Persons or loss of or damage to Properties

- (a) The **contractor** shall be liable for and hereby indemnifies the **employer** against any liability, loss, claim or proceeding whether arising in common law or by statute, consequent upon personal injuries to or the death of any person whomsoever arising out of or in the course of or caused by the execution of the **works** unless due to any act or negligence of any person for whose actions the **employer** is legally liable
- (b) The **contractor** shall be liable for and hereby indemnifies the **employer** against any liability, loss, claim or proceeding consequent upon loss of or damage to any moveable or immovable or personal property or property contiguous to the **site**, whether belonging to or under the control of the **employer** or any other body or person, arising out of or in the course of or by reason of the execution of the **works** unless due to any act or negligence of any person for whose actions the **employer** is legally liable
- (c) The **contractor** shall, upon receiving a **contract instruction** from the **principal agent**, cause the same to be made good in a perfect and workmanlike manner at his own cost and in default thereof the **employer** shall be entitled to cause it to be made good and to recover the cost thereof from the **contractor** or to deduct the same from amounts due to the **contractor**

Section 1
 Preliminaries
 Bill No. 1
 Preliminaries
Bergville Skills Centre

- (d) The **contractor** shall be responsible for the protection and safety of such portions of the premises placed under his control by the **employer** for the purpose of executing the **works** until the issue of the **certificate of practical completion**
- (e) Where the execution of the works involves the risk of removal of or interference with support to adjoining properties including land or structures or any structures to be altered or added to, the **contractor** shall obtain adequate insurance and will remain adequately insured or insured to the specific limit stated in the contract against the death of or injury to persons or damage to such property consequent on such removal or interference with the support until such portion of the **works** has been completed
- (f) The **contractor** shall at all times proceed immediately at his own cost to remove or dispose of any debris and to rebuild, restore, replace and/or repair such property and to execute the **works**

10.7 High risk insurance

In the event of the project being executed in a geological area classified as a "High Risk Area", that is an area which is subject to highly unstable subsurface conditions that might result in catastrophic ground movement evident by sinkhole or doline formation the following will apply:

10.7.1 Damage to the works

The **contractor** shall, from the commencement **date** of the **works** until the date of the **certificate of practical completion** bear the full risk of and hereby indemnifies and holds harmless the **employer** against any damage to and/or destruction of the **works** consequent upon a catastrophic ground movement as mentioned above. The **contractor** shall take such precautions and security measures and other steps for the protection of the **works** as he may deem necessary

When so instructed to do so by the **principal agent**, the **contractor** shall proceed immediately to remove and/or dispose of any debris arising from damage to or destruction of the **works** and to rebuild, restore, replace and/or repair the **works**, at the **contractor's** own costs

10.7.2 Injury to persons or loss of or damage to property

The **contractor** shall be liable for and hereby indemnifies and holds harmless the **employer** against any liability, loss, claim or proceeding arising at any time during the period of the contract whether arising in common law or by statute, consequent upon personal injuries to or the death of any person whomsoever resulting from, arising out of or caused by a catastrophic ground movement as mentioned above

The **contractor** shall be liable for and hereby indemnifies the **employer** against any and all liability, loss, claim or proceeding consequent upon loss of or damage to any moveable or immovable or personal property or property contiguous to the **site**, whether belonging to or under the control of the **employer** or any other body or person whomsoever arising out of or caused by a catastrophic ground movement, as mentioned above, which occurred during the period of the contract

10.7.3 It is the responsibility of the **contractor** to ensure that he has adequate insurance to cover his risk and liability as mentioned in 10.7.1 and 10.7.2. Without limiting the **contractor's** obligations in terms of the contract, the **contractor** shall, within twenty-one (21) **calendar days** of the **commencement date** but before commencement of the **works**, submit to the **employer** proof of such insurance policy, if requested to do so

<p>1</p>	<p>10.7.4 The employer shall be entitled to recover any and all losses and/or damages of whatever nature suffered or incurred consequent upon the contractor's default of his obligations as set out in 10.7.1; 10.7.2 and 10.7.3. Such losses or damages may be recovered from the contractor or by deducting the same from any amounts still due under this contract or under any other contract presently or hereafter existing between the employer and the contractor and for this purpose all these contracts shall be considered one indivisible whole</p> <p>Fixed: _____ Value related: _____ Time related: _____</p> <p>A11 LIABILITY INSURANCES</p> <p>Clause 11.0</p> <p>Fixed: _____ Value related: _____ Time related: _____</p> <p>2 A12 EFFECTING INSURANCES</p> <p>Clause 12.0</p> <p>Fixed: _____ Value related: _____ Time related: _____</p> <p>3 A13.0 No clause</p> <p>4 A14 SECURITY</p> <p>Clause 14.0</p> <p>Clauses 14.1 - 14.8 are amended by replacing them with the following:</p> <p>14.1 In respect of contracts with a contract sum up to R1 million, the security to be submitted by the contractor to the employer will be as a payment reduction of five per cent (5%) of the value certified in the payment certificate (excluding VAT)</p> <p>14.1.1 The payment reduction of the value certified in a payment certificate shall be <i>mutatis mutandi</i> in terms of 31.8(A)</p> <p style="text-align: center;">Carried to Collection</p> <p>Section 1 Preliminaries Bill No. 1 Preliminaries Bergville Skills Centre</p>	<p>Item</p> <p>Item</p> <p>Item</p> <p>N/A</p>	<p>R</p>	
----------	--	--	----------	--

14.1.2 The **employer** shall be entitled to recover expense and loss from the payment reduction in terms of 33.0 provided that the **employer** complies with the provisions of 33.4 in which event the **employer's** entitlement shall take precedence over his obligations to refund the payment reduction **security** or portions thereof to the **contractor**

14.2 In respect of contracts with a **contract sum** above R1 million, the **contractor** shall have the right to select the **security** to be provided in terms of 14.3, 14.4, 14.5, 14.6, or 14.7 as stated in the **schedule**. Such **security** shall be provided to the **employer** within twenty-one (21) **calendar days** from **commencement date**. Should the **contractor** fail to select the **security** to be provided or should the **contractor** fail to provide the **employer** with the selected **security** within twenty-one (21) **calendar days** from **commencement date**, the **security** in terms of 14.7 shall be deemed to have been selected.

14.3 Where **security** as a cash deposit of ten per cent (10%) of the **contract sum** (excluding VAT) has been selected:

14.3.1 The **contractor** shall furnish the **employer** with a cash deposit equal in value to ten per cent (10%) of the **contract sum** (excluding VAT) within twenty-one (21) **calendar days** from **commencement date**

14.3.2 Within twenty-one (21) **calendar days** of the date of **practical completion** of the **works** the **employer** shall reduce the cash deposit to an amount equal to three per cent (3%) of the **contract value** (excluding VAT), and refund the balance to the **contractor**

14.3.3 Within twenty-one (21) **calendar days** of the date of **final completion** of the **works** the **employer** shall reduce the cash deposit to an amount equal to one per cent (1%) of the **contract value** (excluding VAT) and refund the balance to the **contractor**

14.3.4 On the date of payment of the amount in the final **payment certificate**, the **employer** shall refund the remainder of the cash deposit to the **contractor**

Carried to Collection

14.3.5 The **employer** shall be entitled to recover expense and loss from the cash deposit in terms of 33.0 provided that the **employer** complies with the provisions of 33.4 in which event the **employer's** entitlement shall take precedence over his obligations to refund the cash deposit **security** or portions thereof to the **contractor**

14.3.6 The parties expressly agree that neither the **employer** nor the **contractor** shall be entitled to cede the rights to the deposit to any third party

14.4 Where **security** as a variable construction guarantee of ten percent (10%) of the **contract sum** (excluding VAT) has been selected:

14.4.1 The **contractor** shall furnish the **employer** with an acceptable variable construction guarantee equal in value to ten per cent (10%) of the **contract sum** (excluding VAT) within twenty-one (21) **calendar days** from **commencement date**

14.4.2 The variable construction guarantee shall reduce and expire in terms of the Variable Construction Guarantee form included in the invitation to tender

14.4.3 The **employer** shall return the variable construction guarantee to the **contractor** within fourteen (14) **calendar days** of it expiring

14.4.4 Where the **employer** has a right of recovery against the **contractor** in terms of 33.0, the **employer** shall issue a written demand in terms of the variable construction guarantee

14.5 Where **security** as a fixed construction guarantee of five per cent (5%) of the **contract sum** (excluding VAT) and a five per cent (5%) payment reduction of the value certified in the payment certificate (excluding VAT) has been selected:

14.5.1 The **contractor** shall furnish a fixed construction guarantee to the **employer** equal in value to five per cent (5%) of the **contract sum** (excluding VAT)

14.5.2 The fixed **construction guarantee** shall come into force on the date of issue and shall expire on the date of the last certificate of **practical completion**

This **schedule** contains all variables referred to in this document and is divided into pre-tender and post-tender categories. The pre-tender category must be completed in full and included in the tender documents. Both the pre-tender and post-tender categories form part of these Preliminaries.

Spaces requiring information must be filled in, shown as “not applicable” or deleted and not left blank. Where choices are offered, the non-applicable items are to be deleted. Where insufficient space is provided the information should be annexed hereto and cross-referenced to the applicable clause of the **schedule**. Key cross reference clauses are italicised in [] brackets

12.1 PRE TENDER INFORMATION

12.1.1 Provisional Bills of Quantities

[2.2] The quantities are provisional
No

12.1.2 Availability of construction documentation

[2.3] *Construction documentation is complete*
Yes

12.1.3 Interest of agents

[2.4] The agents have no interest in this project apart from their professional interest

12.1.4 Defined works area

[3.1] The works will be executed on Erf 6161, Remainder of Erf 4096, Bredasdorp

12.1.5 Geotechnical investigation

[3.2] There is no geotechnical report available

12.1.6 Existing premises occupied

[3.4]

12.1.7 Previous work - dimensional accuracy

[3.5] The contractor is responsible for ensuring dimensional accuracy of all previous work that might impact the current contract and must satisfy himself as to opening sizes, etc before ordering components

C6 HIV/AIDS AWARENESS

It is required of the **contractor** to thoroughly study the HIV/AIDS Specification (PW 1544) of the Department that must be read together with and is deemed to be incorporated under this Section of the Bills of Quantities. Provision for pricing of HIV/AIDS awareness is made under items C10.1 to C10.5 hereafter and it is explicitly pointed out that all requirements of the aforementioned specification are deemed to be priced hereunder, as the said items represent the only method of measurement and no additional items or extras to the contract in this regard shall be entertained

The **contractor** must take note that compliance with the HIV/AIDS Specification is compulsory. In the event of partial or total non-compliance, the **principal agent**, notwithstanding the provisions of Clause A 31.0 of Section A or any other clause to the contrary, reserves the right to delay issuing any progress **payment certificate** until the **contractor** provides satisfactory proof of compliance. The **contractor** shall not be entitled to any compensation of whatsoever nature, including interest, due to such delay of payment

1 C6.1 AWARENESS CHAMPION

Selection, appointment, briefing and making available of an Awareness Champion including provision of all relevant services, all in accordance with the HIV/AIDS Specification

Fixed: _____ Value related: _____
Time related: _____

1 **C7 : OCCUPATIONAL HEALTH AND SAFETY ACT**

The **contractor** shall comply with all the requirements set out in the Construction Regulations, 2003 issued under the Occupational Health and Safety Act, 1993 (Act No 85 of 1993), as amended.

It is required of the **contractor** to thoroughly study the Health and Safety Specification that must be read together with and is deemed to be incorporated under this Section of the **bills of quantities / lump sum document**

The **contractor** must take note that compliance with the Occupational Health and Safety Act, Construction Regulations and Health and Safety Specification is compulsory. In the event of partial or total non-compliance, the **principal agent**, notwithstanding the provisions of clause A31.0 of Section A or any other clause to the contrary, reserves the right to delay issuing any progress **payment certificate** until the **contractor** provides satisfactory proof of compliance. The **contractor** shall not be entitled to any compensation of whatsoever nature, including interest, due to such delay of payment.

Provision for pricing of the Occupational Health and Safety Act, Construction Regulations and Health and Safety Specification is made under this clause and it is explicitly pointed out that all requirements of the aforementioned are deemed to be priced hereunder and no additional claims in this regard shall be entertained

	<p><u>SECTION 2</u></p> <p><u>BILL No. 1</u></p> <p><u>FOUNDATIONS (PROVISIONAL)</u></p> <p>NOTE IN RESPECT OF REMEASUREMENT OF FOUNDATIONS</p> <p>Foundation brickwork and concrete walls have been measured to top of unfinished floor level</p> <hr/> <p><u>EARTHWORKS</u></p> <p>NOTE</p> <p>All excavations are measured as being in "earth" and/or filling compacted to 95% modified AASHTO density</p> <p>Descriptions of excavations shall be deemed to include for setting aside surplus excavated material in spoil heaps for use as filling, or for depositing within 150m of the perimeter of the excavations and spreading and roughly levelling as directed, as well as for increase in bulk and multiple handling of excavated material caused by the Contractor's method of operation</p> <p>Descriptions of carting away of excavated material shall be deemed to include loading excavated material onto trucks directly from the excavations or, alternatively, from stock piles situated on the building site and for bulking</p> <p>Working space for formwork to sides of all concrete, except columns, shall be measured only where the concrete face is less than 750mm from the face of the measured excavations</p> <p>Working space for formwork to sides of columns shall be measured for the width of the column face only where both:</p> <p>the top of the column base is more than 1,5m below the commencing level of the excavations and</p> <p>the column face is less than 500mm from the face of the measured excavations</p> <p style="text-align: center;">Carried to Collection</p> <p>Section 2 Building Work Bill No. 1 Foundations (Provisional) Bergville Skills Centre</p>			
			R	

	<p>No claim shall be considered for any working space for formwork to concrete other than as above described or for working space beyond the sides of trench excavations for the building of brick or block walls</p> <p>Descriptions of excavations for working space shall be deemed to include for any additional risk of collapse so incurred and for the returning and compacting of the excavated material as described</p> <hr/> <p><u>Excavations</u></p> <p><u>Excavate in earth not exceeding 2m deep below natural, elevated or reduced ground level for</u></p>				
1	Reducing levels under ramp	m3	5		
2	Trenches	m3	78		
3	Holes	m3	2		
	<u>(End of excavations in earth)</u>				
4	Extra over all excavations for carting away surplus material from excavations and/or from stockpiles on site to a dumping site to be located by the Contractor	m3	44		
5	Extra over excavations in earth for trenches and holes for excavations in soft rock	m3	13		
6	Extra over excavations in earth for trenches and holes for excavations in hard rock	m3	9		
7	Risk of collapse of sides of excavations for trenches and holes from natural, elevated or reduced ground level to not exceeding 1,5m deep	m2	198		
8	Allow for keeping excavations free of all water other than subterranean water			Item	
	<u>Filling, etc.</u>				
9	Earth filling from the excavations under floors, steps, pavings, etc. compacted to 90% modified AASHTO density	m3	41		
	Carried to Collection				R
	Section 2 Building Work Bill No. 1 Foundations (Provisional) Bergville Skills Centre				

1	Imported earth filling supplied by the Contractor and brought onto site, under solid floors, steps, pavings, etc. compacted to 90% modified AASHTO density	m3	84		
2	Prepare ground surface by scarifying top 150mm layer of ground and re-compact to 90% modified AASHTO density	m2	280		
3	50mm Thick dry, clean, washed riversand layer evenly spread over filling (elsewhere), levelled, watered and rammed to receive waterproof membrane (elsewhere) under solid floors	m2	280		
	<u>Tests</u>				
4	Tests to determine the degree of compaction, etc. of ground or filling	No	9		
	<u>Protection against termites</u>				
5	Poisoning surface of ground in bottoms of trenches, bases, etc.	m2	79		
6	Poisoning surface of ground or filling under floors, steps, etc. including raking out 75mm deep V-shaped channels against the walls, etc. treating with poison solution, backfilling and ramming	m2	272		
	<u>CONCRETE</u>				
	<u>Reinforced concrete with a coarse aggregate of 19mm and a minimum compressive strength of 25MPa at 28 days</u>				
7	In footings to walls cast against excavated surfaces, stepped and levelled	m3	20		
	<u>REINFORCEMENT</u>				
	<u>Mesh reinforcement</u>				
8	Mesh reinforcement with mesh reference number 193 laid in surface beds with 300mm wide side and end laps (measured net)	m2	280		
	<u>Mild steel bar reinforcement to structural concrete work</u>				
9	12mm Diameter bars	t	0.55		
	Carried to Collection			R	
	Section 2 Building Work Bill No. 1 Foundations (Provisional) Bergville Skills Centre				

<u>MASONRY</u>					
<u>Brickwork</u>					
<u>Brickwork in extra hard burnt clay bricks in (5:1) cement mortar with all joints grouted in solid with liquid cement mortar</u>					
1	One brick wall	m2	125		
<u>Brick reinforcement</u>					
2	Brick reinforcement 150mm wide built into brick walls with sufficient laps at end joints, angles and intersections (measured net)	m	396		
<u>Faced brickwork</u> External facings in approved face bricks (FBS) with a PC Amount of R4 400.00 per thousand bricks delivered to site (excluding VAT) pointed with square recessed horizontal and vertical joints (Provisional)					
3	Extra over ordinary brickwork for facing and pointing in stretcher bond	m2	59		
Carried to Collection				R

	<u>CONCRETE, FORMWORK AND REINFORCEMENT</u>			
	NOTE			
	Tenderers are advised to study the "Specification of Materials and Methods to be used" (PW 371) before pricing this bill			
	<u>CONCRETE</u>			
	<u>Concrete test cubes</u>			
1	Prepare set of three 150 x 150 x 150mm concrete strength test cubes, label and send to an approved laboratory for testing, pay all charges and submit report to the Principal agent. Only successful tests will be paid for (<u>Provisional</u>)	No	12	
	<u>Mass concrete</u>			
	<u>Mass concrete with a coarse aggregate of 19mm and a minimum compressive strength of 25MPa at 28 days</u>			
2	In ramps	m3	2	
	<u>Reinforced concrete</u>			
	<u>Mesh reinforced concrete with a coarse aggregate of 19mm and a minimum compressive strength of 25MPa at 28 days</u>			
3	In surface beds cast over waterproofing membrane (elsewhere)	m3	21	
	<u>Reinforced concrete with a coarse aggregate of 19mm and a minimum compressive strength of 25MPa at 28 days in</u>			
4	Columns	m3	3	
5	Slabs	m3	1	
	Carried to Collection			R
	Section 2 Building Work Bill No. 2 Concrete, Formwork and Reinforcement Bergville Skills Centre			

	<u>Sundries</u>				
1	Finish raking top surface of concrete slabs, etc. to a smooth and even wood floated surface including additional dry sand/cement mixture added as necessary whilst the concrete is still wet	m2	163		
	<u>FORMWORK</u>				
	<u>Formwork to</u>				
2	Soffit of slabs	m2	7		
3	Edges, risers, ends and reveals not exceeding 300mm high or wide	m	11		
	<u>Smooth formwork to circular columns</u>				
4	300mm Diameter column 3m high	No	4		
	<u>REINFORCEMENT</u>				
	<u>High tensile steel bar reinforcement to structural concrete work</u>				
5	All Diameter bars	t	0.42		
	<u>Mesh reinforcement</u>				
6	Mesh reinforcement with mesh reference number 193 laid in surface beds with 300mm wide side and end laps (measured net)	m2	163

DESCRIPTIONS

The term "planted on" shall mean the nailing of one timber member to another

The term "screwed on" shall mean the countersunk screwing of one timber member to another

The term "screwed on and pelleted" shall mean the screwing of one timber member to another with the heads of screws sunk and pelleted

The term "plugged" shall mean the countersunk screwing of a timber member to and including plastic plugs in brickwork or concrete

The term "plugged and pelleted" shall mean the screwing of a timber member to and including plastic plugs in brickwork or concrete with heads of screws sunk and pelleted

Shelving, etc. described as screwed to steel must be fixed from underside and prices are to include for countersunk drilling through the steel for screw fixing

Descriptions of floors, ceilings, joinery, etc. shall be deemed to include for all square cutting

Descriptions of items given in lineal metre shall be deemed to include for mitres, stopped ends, fitted intersections, etc.

Descriptions of rounded angles, rebates, grooves, chamfers, moulded edges, etc. shall be deemed to include for angles, ends, etc.

Prefabricated metal connector plate timber roof trusses

Roofs, etc

Allow for the preparation and submission of the following documents (applicable to ALL roofs):

- 1 Detailed shop drawings indicating truss sizes, truss positions, bracings, etc to be submitted for approval prior to commencement of fabrication.

Building Work
Bill No. 6
Carpentry and Joinery
Bergville Skills Centre

<p>1</p> <p>2</p> <p>NOTE:</p> <p>a. All the roof trusses to be at average 1177mm centres and constructed for a 15 degrees pitch unless otherwise stated</p> <p>b. All the roof trusses to be designed and constructed with softwood structural timber to include for live loads, wind loads and to take corrugated roof covering, purlins and fibre cement or gypsum plasterboard ceilings with bracing. Each roof truss shall have all its members accurately cut and close butted together and rigidly fixed by CSIR approved patented galvanized metal spiked connectors, fixed on both sides of each intersection by an approved method, all in accordance with the manufacturer's instructions.</p> <p>c. Unless otherwise described all rafter feet are to extend 770mm beyond the length of the tie beam, with ends twice splay cut</p> <p>d. The design, manufacture and transportation of the roof trusses, bracing, etc. shall be under the control of a registered Engineer in accordance with SANS 0243 and it shall be required from the manufacturer of the trusses to lodge a written guarantee that his construction has been designed by a qualified Structural Engineer and that he is in possession of a capability certificate issued by the Institute for Timber Construction and approved by the Principal Agent</p> <p>e. The tenderer's attention is drawn to the fact that the Architect's roof truss drawings only represent the overall size and bearing points of the trusses and not the required design.</p> <p style="text-align: center;">Carried to Collection</p> <p>Section 2 Building Work Bill No. 6 Carpentry and Joinery Bergville Skills Centre</p>	<p>Design certificate indicating the licensed programme used, SANS specifications adhered to, general procedures and loading adopted, sizes and grading of timber components, details, etc.</p> <p>Erection guarantee certificate after the entire completed roof truss structure has been inspected, all defective work taken out and made good, etc to the satisfaction of the engineer.</p>	<p>Item</p> <p>Item</p>
