Xolani Mdladla

Tshwane University of Technology

National Diploma: Electrical Engineering

“I am grateful for the support from the CETA and for the funding to complete my studies”

Xolani is interested in further funding for his Btech

Ngelebongama Hlatshwayo

University of Johannesburg

National Diploma: Building Science

“I really appreciate the help from CETA, the funding for my studies gave me an opportunity I will never forget. I am grateful”
Andani Mngidi

University of Johannesburg

National Diploma: Construction Management and Quantity Surveyor

“I would like to thank the CETA for the support”

Wethu Mokoena

University of Free State

Honours Degree: Architecture

“I appreciate the endless support that I have received from CETA, the struggles that I faced before have been released off my shoulders and that alone gave me enough spirit to reach where I am today, a Masters student of architecture. Siyabonga CETA”
Zizo Maqekeni  
Cape Peninsula University of Technology  
Btech: Quantity Surveying  
“Believe you can and you are halfway there”

Luyolo Myeki  
University of Johannesburg  
Btech: Construction Management  
“Being from the most rural part of the Eastern Cape, Mount Frere, CETA assisted me to realise my dream and I am forever grateful. It was going to be impossible for me to pay my fees, thank you CETA for being there for me”
Reatlehile Jankie

University of Cape Town
Honours: City and Regional Planning

I am eternally grateful for the financial support and workshops which CETA provided me. CETA has played an instrumental role in my academic development and has illustrated an unwavering commitment towards creating capacity among future practitioners in construction and the built environment.

Nkanyiso Hopewell Mnyandu

Mangosuthu University of Technology
National Diploma: Construction Management and Quantity Surveying

“The CETA programme is an excellent idea; it has given a lot of disadvantaged student’s great opportunities and a peace of mind to focus on their studies uninterrupted by financial struggles.”
Thabile Ntuli  
Mangosuthu University of Technology  
National Diploma: Quantity Surveying and Construction Management

“I would like to thank CETA for the Thapelo Madibeng Bursary Scheme funding I was honoured to be one of the recipients. It provided relief as I could focus on my studies and not worry about financial problems. “

Katlego Marvin Ntsalong  
Mothoe TVET College  
N6: Civil Engineering

“I am honoured to be one of the Thapelo Madibeng Bursary Scheme recipients. I thank the CETA for the generosity I received throughout the year. Katlego is seeking civil engineering Work Integrated Learning placement.
Busisiwe Ruchell Maclean  
Central Johannesburg College  
NCV Level 4: Civil Engineering and Building Construction

“I am grateful to the CETA for the opportunity to advance my studies. CETA gave me hope when I had none. I did not know how I would pay for my education. I am grateful for the support CETA staff gives us because they are in constant communication with us.

Tsoma Beverley Malema  
Ekurhuleni West TVET College  
N4: Civil Engineering

“Heaven sent CETA to change my life forever. CETA is like an angel that is sent to make the world a better place, its radiance for the love of transformation and education cannot be ignored, and they transferred that to us. Thank you CETA for making my dreams come true.”
Vuyisani Mrabalala
Tshwane University of Technology
Btech: Construction Management

“During my Work Integrated Learning I was afforded an opportunity to work with both conventional construction firms and facilities management firms. This improved my versatility”

Vuyisani seeks employment in the construction sector.

Maruping Martin Lechuti
National Diploma: Building Construction
Central University of Technology

Martin is currently enrolled for a Btech programme at the Tshwane University of Technology
